

Fitzrovia News advertising rates

Advertising in Fitzrovia News community newspaper will put your businesses in touch with residents, workers and visitors in Fitzrovia. We cover important news in the public interest, and contemporary and historical features about the neighbourhood. We are the only printed newspaper and news website serving the residents in Fitzrovia and have a strong history dating back to 1973. The News is also read by workers, visitors, local government employees, and people thinking of living here.

Regular advertisers include estate agents, health and leisure services, pubs, eateries, and local retailers.

2,000 copies are printed on 52gsm recycled newsprint and delivered to distribution points within the area bounded by Euston Road, Gower Street, Oxford Street and Great Portland Street. An electronic copy (.pdf) of the paper is also available via news.fitzrovia.org.uk and permanently available at: archive.fitzrovia.org.uk

Fitzrovia News only takes advertising in its quarterly print editions. We do not accept sponsored content or paid posts on our website.
